1. Company Overview

Meridian Infra-EPC Private Limited ("Meridian" or "the Company") is a multi-disciplinary engineering, procurement, and construction (EPC) contractor incorporated in 2009 and headquartered in Pune, Maharashtra. Over the past sixteen years, the Company has grown from a regional civil works contractor into a full-service EPC organization delivering industrial plants, water and wastewater infrastructure, roads and bridges, and renewable energy installations across India and select overseas markets.

The Company currently employs approximately 640 permanent staff, supplemented by a flexible pool of skilled and semi-skilled labour engaged through approved subcontractors during peak execution phases. Meridian maintains four regional offices (Pune, Ahmedabad, Hyderabad, and Bhubaneswar) and a central engineering and design office in Pune that houses civil, structural, mechanical, electrical, and instrumentation design teams.

Meridian's core competencies span pre-bid engineering and estimation, detailed engineering, procurement and vendor management, site construction and erection, commissioning, and post-handover operations & maintenance support. The Company has executed 87 contracts with a cumulative value exceeding INR 2,340 crore since inception, with no history of contract termination for default.

1.1 Business Divisions

The Company is organized into four business divisions, each headed by a Divisional Head reporting directly to the Managing Director:

- Industrial & Process EPC — factories, warehouses, process plants
- Water & Wastewater Infrastructure — treatment plants, pipelines, pumping stations
- Roads, Bridges & Urban Infrastructure
- Renewable Energy & Balance-of-Plant works — solar EPC, substations

2. Vision, Mission & Core Values

2.1 Vision

To be recognized as one of India's most trusted mid-sized EPC contractors, known for engineering discipline, safety performance, and on-time delivery.

2.2 Mission

To deliver infrastructure and industrial assets that meet client specifications, statutory requirements, and safety standards, while building long-term partnerships with clients, consultants, and subcontractors through transparent execution.

2.3 Core Values

- **Safety First** — no activity is so urgent that it cannot be done safely.
- **Engineering Integrity** — designs and estimates are technically sound before they are competitive.
- **Transparency** — open communication with clients on progress, risk, and change.
- **Timely Delivery** — schedule commitments are treated as contractual obligations, not targets.
- **People Development** — sustained investment in workforce training and retention.

3. Legal & Registration Status

Particular	Details
Legal Constitution	Private Limited Company, incorporated under the Companies Act, 2013
Date of Incorporation	14 March 2009
Corporate Identification Number (CIN)	U45201PN2009PTC132456
GST Registration	27ABCDE1234F1Z5 (Maharashtra); additional state registrations held for Gujarat, T
PAN	ABCDE1234F
MSME / Udyam Registration	UDYAM-MH-03-0045678 (Medium Enterprise)
Registered Office	Plot 14, Industrial Estate Road, Pune, Maharashtra – 411019
Class of Contractor Registration (PWD, State of Maharashtra), Class I-B (Electrical/Mechanical)	
Bankers	State Bank of India, Pune Industrial Estate Branch; HDFC Bank, Corporate Banking

Meridian holds no unresolved statutory notices, blacklisting orders, or debarment from any government department, PSU, or private client as on the date of this document. A signed self-declaration to this effect is provided at Annexure D.

4. Organizational Structure

Meridian follows a matrix organization in which functional heads (Engineering, Procurement, QHSE, Finance, HR) support project-specific teams led by a Project Manager who has full authority over site execution, subject to the Company's delegation-of-authority policy.

4.1 Corporate Leadership

Position	Responsibility
Managing Director	Overall corporate strategy, client relationships, contract approval authority
Director – Operations	Oversight of all active project sites, resource allocation across divisions
Director – Engineering	Design standards, technical bid support, value engineering
Chief Financial Officer	Financial planning, working capital, bank guarantees, project costing
Head – QHSE	Corporate safety policy, audits, incident investigation, ISO management systems
Head – Procurement	Vendor development, rate contracts, material planning
Head – Human Resources	Recruitment, training academy, industrial relations

A detailed organization chart showing reporting lines down to site engineer level is provided at Annexure A. Project-specific organograms are prepared and submitted separately with each tender, tailored to the scope and duration of the specific contract.

5. Financial Standing

Meridian's financial statements are audited annually by a firm of Chartered Accountants empanelled with the Institute of Chartered Accountants of India. Summary financials for the last five completed financial years are presented below; complete audited statements are enclosed at Annexure B.

Financial Year	Gross Annual Turnover (INR Cr)	Net Worth (INR Cr)	Net Profit (INR Cr)
FY 2020-21	212.4	68.1	9.8
FY 2021-22	248.7	76.5	11.2
FY 2022-23	289.3	88.9	13.6
FY 2023-24	331.6	103.2	16.4
FY 2024-25	368.9	119.8	18.9

5.1 Banking & Bonding Capacity

The Company enjoys a fund-based and non-fund-based working capital facility of INR 145 crore with its consortium bankers, comprising cash credit, bank guarantee, and letter of credit limits. Undrawn bank guarantee limit available as on the date of this document is approximately INR 62 crore, sufficient to support performance security and advance bank guarantee requirements for contracts up to approximately INR 300 crore in cumulative value. A banker's solvency certificate is enclosed at Annexure C.

5.2 Statutory Compliance

Meridian is current on all statutory dues including Provident Fund, ESI, Professional Tax, and Income Tax as on the date of this profile. Compliance certificates for the preceding financial year are available on request.

5.3 Insurance Coverage

Policy	Coverage	Insurer
Contractor's All Risk (CAR) — project specific	Issued per contract value	National Insurance Co. Ltd.
Workmen Compensation	As per Workmen's Compensation Act, 1923	National Insurance Co. Ltd.
Third Party Liability	INR 5 crore per occurrence (standing policy)	New India Assurance Co. Ltd.
Plant & Equipment Insurance	Owned major equipment, replacement value basis	New India Assurance Co. Ltd.
Professional Indemnity (Design)	INR 10 crore aggregate	ICICI Lombard

Project-specific CAR and Workmen's Compensation policies are taken out at contract award in amounts matching the specific tender's insurance schedule, and copies are furnished to the client/consultant prior to mobilization.

6. Key Personnel

The following personnel form the Company's core technical and managerial leadership. Detailed curriculum vitae for each individual, including project-specific experience, are enclosed at Annexure E and are tailored to the requirements of each tender.

Name (Designation)	Qualification	Experience	Relevant Specialization
R. Venkatesh (Director – Engineering)	B.E. Civil, M.Tech Structures	27 years	Industrial structures, EPC design coordination
S. Kulkarni (Head – QHSE)	B.E. Mechanical, NEBOSH IGC	19 years	Safety management systems, ISO 45001 audits
A. Fernandes (Sr. Project Manager)	B.E. Civil, PMP	22 years	Water treatment plants, pipeline projects
M. Reddy (Sr. Project Manager)	B.Tech Electrical	18 years	Substations, solar EPC balance-of-plant
P. Deshmukh (Head – Procurement)	B.E. Mechanical, MBA	16 years	Vendor development, long-lead procurement
N. Iyer (Planning Manager)	B.E. Civil, Primavera P6 Certified	14 years	Project scheduling, EVM reporting

In addition to the leadership listed above, the Company maintains a bench of 34 qualified engineers (civil, mechanical, electrical, and instrumentation) and 12 safety officers available for deployment to new contracts within 15–30 days of award, depending on concurrent site commitments.

7. Plant, Equipment & Resources

Meridian owns a substantial base of construction plant and equipment, supplemented by empanelled rental vendors for peak or specialized requirements. A representative summary of owned major equipment is provided below; a complete asset register is enclosed at Annexure F.

Equipment Category	Owned Units	Representative Capacity
Excavators	14	0.9–1.2 cum bucket capacity
Concrete Batching Plants	3	30 cum/hr & 60 cum/hr
Transit Mixers	9	6 cum capacity
Tower Cranes	4	up to 8-tonne capacity, 50m boom
Mobile Cranes	6	25–75 tonne capacity
DG Sets	22	62.5 kVA to 500 kVA
Survey Equipment	11 Total Stations, 6 GPS/RTK units	
Welding & Fabrication Sets	40+	Site fabrication yards at 3 locations

In-house design software licenses include AutoCAD, STAAD.Pro, ETABS, Primavera P6, and SAP2000, supporting detailed engineering and planning without dependency on external consultants for routine design verification.

7.1 Training Academy

Meridian operates an in-house Skill Training Academy at its Pune regional office, affiliated with a State Skill Development scheme, which conducts induction and refresher training for masons, bar-benders, electricians, and equipment operators. The Academy trained 412 workers in FY 2024-25 and issues skill certification recognized for site deployment eligibility.

7.2 Subcontractor & Vendor Management

Meridian maintains an empanelled list of 68 specialist subcontractors (structural steel fabrication, piling, HVAC, electrical finishing, and instrumentation) and 140+ material vendors, each evaluated annually against a vendor scorecard covering quality, delivery, safety compliance, and commercial competitiveness. New subcontractors are onboarded only after a documented pre-qualification review including site visit and reference checks.

8. Quality, Health, Safety & Environment (QHSE) Policy

Meridian operates an Integrated Management System certified to ISO 9001:2015 (Quality), ISO 14001:2015 (Environment), and ISO 45001:2018 (Occupational Health & Safety). The IMS is audited internally on a quarterly basis and externally by the certifying body on an annual basis.

8.1 Safety Performance

Metric	FY 2022-23	FY 2023-24	FY 2024-25
Total Man-hours Worked	2.1 million	2.4 million	2.6 million
Lost Time Injury Frequency Rate (LTIFR)	0.42	0.31	0.24
Fatalities	0	0	0
Near-Miss Reports Filed	186	224	261
Safety Training Man-hours	9,400	11,200	13,050

8.2 Quality Assurance Framework

Every project executes under a Project Quality Plan (PQP) derived from the corporate Quality Manual, tailored to contract specifications and applicable codes (IS, ASTM, or client standards as specified). Inspection and Test Plans (ITPs) are agreed with the client/consultant at the outset of each contract, and third-party testing is engaged through NABL-accredited laboratories for concrete, soil, and material testing.

8.3 Environmental Management

Environmental controls on active sites include dust suppression systems, controlled disposal of construction debris through licensed vendors, rainwater harvesting at site offices where feasible, and compliance with applicable Consent to Establish/Operate conditions issued by State Pollution Control Boards.

8.4 Incident Reporting & Investigation

All incidents, including near-misses, are reported through a site-level reporting app that feeds into a corporate dashboard reviewed monthly by the Head – QHSE and Director – Operations. Root-cause investigation follows the Company's standard 5-Why and fishbone methodology, with corrective actions tracked to closure and shared across all sites as lessons-learned bulletins.

9. Past Project Experience

A representative selection of completed and ongoing projects executed by Meridian in the last seven years is presented below. A complete project list with client certificates of completion is enclosed at Annexure G.

Project	Client	Value (INR Cr)	Duration	Status
48 MLD Water Treatment Plant, Nashik	Nashik Municipal Corporation	62.4	22 months	Completed 2022
Industrial Warehouse Complex, Chhatrapati	Private Auto-Component Manufacturer	38.7	14 months	Completed 2023
12 km Sewerage Pipeline Network, Solapur	Maharashtra Jeevan Pradhikaran	44.2	18 months	Completed 2023
25 MW Solar EPC (BoP), Osmanabad	Independent Power Producer	29.8	10 months	Completed 2024
Two-Lane Bridge over River Bhima	Public Works Department, Maharashtra	51.3	24 months	Ongoing
Effluent Treatment Plant Upgrade, Ankleshwar	Private Chemicals Manufacturer	18.6	12 months	Ongoing
Grid Substation (132/33 kV), Bhubaneswar	State Electricity Transmission Utility	22.1	16 months	Completed 2021
Rural Road Network Package (56 km)	State Rural Development Department	34.5	20 months	Completed 2020

9.1 Sector-wise Experience Summary

Sector	No. of Projects (last 7 yrs)	Cumulative Value (INR Cr)
Water & Wastewater Infrastructure	11	412.6
Industrial & Process EPC	9	356.2
Roads, Bridges & Urban Infrastructure	7	298.4
Renewable Energy / Substations	6	187.9

10. Certifications & Accreditations

Certification	Certifying Body	Valid Until
ISO 9001:2015 – Quality Management System	TUV India	March 2027
ISO 14001:2015 – Environmental Management System	TUV India	March 2027
ISO 45001:2018 – Occupational Health & Safety	TUV India	March 2027
Contractor Class I-A (Civil), PWD Maharashtra	Public Works Department	December 2026
MSME (Udyam) Registration	Ministry of MSME	Perpetual, subject to renewal
Approved Vendor – State Electricity Transmission Utility	State Utility Empanelment Cell	2028

11. Client References

The following client contacts have consented to act as references and may be contacted directly to verify the Company's performance record.

Client Organization	Contact Person & Designation	Project Reference
Nashik Municipal Corporation	Executive Engineer, Water Supply Dept.	48 MLD WTP, Nashik
Maharashtra Jeevan Pradhikaran	Deputy Engineer, Solapur Division	Sewerage Pipeline Network
Independent Power Producer (name withheld)	Head of Project Execution	25 MW Solar EPC
State Electricity Transmission Utility	Divisional Engineer (Civil)	Grid Substation, Bhubaneswar

12. Litigation & Debarment Declaration

Meridian confirms that as on the date of this document:

- The Company has not been blacklisted or debarred by any Central/State Government department, PSU, or autonomous body.
- The Company has no contract terminated for default in the last five years.
- The Company is not currently under insolvency proceedings under the Insolvency and Bankruptcy Code, 2016.
- There is one commercial arbitration pending relating to a variation claim on a completed contract (details available on request); this does not relate to workmanship or default.

A signed declaration on Company letterhead to this effect, in the format prescribed by individual tenders, is prepared and enclosed with each bid submission.

13. List of Annexures

Annexure	Description
A	Detailed Organization Chart
B	Audited Financial Statements (last 5 years)
C	Banker's Solvency Certificate
D	Self-Declaration – No Blacklisting/Debarment
E	Curriculum Vitae – Key Personnel
F	Plant & Equipment Asset Register
G	Completed Project List with Completion Certificates
H	ISO Certificates (Quality, Environment, OH&S)
I	GST, PAN, and Udyam Registration Copies
J	Power of Attorney (as applicable per tender)

End of Company Profile document. This is a sample file prepared for testing document-ingestion and retrieval workflows in TenderMind; content is fictional and should not be used for actual bid submission.
